**ABOUT DAVID POWELL:**

David Powell, PhD is President of International Center for Health Concerns, Inc. and has been active in the field of addictions for over 40 years.

He is the author of the definitive textbook on clinical supervision, *Clinical Supervision*

*In Alcohol & Drug Counseling.*

He has lectured and taught in all 50 states and in 70 countries and is currently involved in assisting in the establishment of AA, NA and Al-Anon in the People's Republic of China. He and his wife, Barbara, split their residence between Connecticut and Singapore.

**COURSE DESCRIPTION:**

The substance abuse field is constantly changing. Staff need training in an array of issues, e.g., co-occurring disorders, working in a cost-driven world, new legal and ethical standards of practice. Training resources are often limited. Clinical supervision is the cornerstone for staff development and quality assurance. **This course provides a foundation and essential skills for managers and supervisors working in the behavioral health field.** Based on the book by David Powell, Clinical Supervision in Alcohol and Drug Abuse Counseling, revised edition, 2004. This course fulfills the training requirements for certification as a clinical supervisor of the International Certification and Reciprocity Consortium, as well as the States of North Carolina and South Carolina.

**Training offered:**

A two-day training for current or aspiring supervisors, Program Administrators and non-clinical managers offering 15 hours of clinical supervision credit and 3 hours of ethics credit. (May 26-27, 2010).

*All participants will receive a copy of the TIP 52.*

*Credit issued by the North Carolina Substance Abuse Professional Practices Board*
